Windows

Munster Aluclad

It is proposed to use Munster Joinery - Passiv Aluclad Windows.

These are a composite timber and aluminium window, and colour choices can be made for the external aluminium and internal timber finishes.

According to the product literature, a set of standard colours is available.

- External finish: Anthracite Grey (RAL 7016).
- Internal finish: Clear pine.
- Aluminium external profile to be specified as the 'square edge' option.
